

## K-2 Math Resources for Teachers and Parents

### Common Core Curriculum Videos on Math Models

#### Content

- [Array Patterns](#)
- [Numbers Through Ten \(Number Towers, Number Path, Number Bond\)](#)
- [Number Bonds & Operations with Mixed Units](#)
- [Addition and Subtraction \(with 10-frames\)](#)
- [Place Value Using Number Disks](#)
- [Place Value \(Number Disks with Place Value Charts\)](#)
- [Subtraction Problems Using Number Disks](#)

#### Process

- [Happy Counting](#)
- [Sprints](#)
- [Choral Response](#)
- [Motion Fluency](#)

### Lessons in Learnzillion.com

#### Grade 2: In-Depth *Focus Standards*

- |         |             |  |
|---------|-------------|--|
| 2.OA.1  | (7 lessons) | <a href="#">Solve addition and subtraction word problems by drawing models</a>                   |
| 2.NBT.1 | (5 lessons) | <a href="#">Understanding 3 digit place value by drawing and modeling</a>                        |
| 2.NBT.7 | (6 lessons) | <a href="#">Add and subtract within 1000</a>   |
| 2.MD.5  | (5 lessons) | <a href="#">Solve word problems involving lengths using number lines, rulers, and bar models</a> |
